DISCOUNTS ON LEATHER CASES FOR IPSO MEMBERS

Dear IPSO MEMBER,

We have had a menswear company for many years and developed these leather cases for the Psion Organiser II because our own machines were becoming shabby.

Since our brief mention in the Psion News we have received endless calls about the cases and as we are IPSO members we would like to offer fellow members a discount on both current products.

The normal price of the Hand Held Leather Case is £12.95 and we will make it available to members at £11.95 + p/p. The Organised Office, priced at £39.95, can be purchased for £37.95 + p/p.

A number of people who have visited us have bought both cases - the smaller one for briefcase/hand use and the larger as a portable office. For any member who would like to buy both we can offer the two-case set for £49.95 + p/p.

Many people have already asked us to adapt our cases for special applications and at the moment we are able to do so. We are working on dust-proof cases for industrial use and an Organised Office with a deeper gusset to enable a small battery operated printer to be incorporated - the case will already hold the RS232 Comms Link.

Any members who are keen to have certain paper types developed for The Organised Office, please let us know. Apart from the Note Pad which is provided, we already produce Graph Paper, Accounts Sheets, Plain Design Sheets and NCR Memo's

We have received so many interesting telephone calls and have told many callers about Ipsos. We would welcome any calls or correspondence from any members who would like to discuss further developments.

At the moment both items are in stock, but if the response continues to escalate the maximum you should have to wait for delivery will be 21 days from the clearance of your cheque. As Ipsos cannot be held responsible for any liability, please contact us direct at the above address.

Please send me:
